

Your school has joined the School Meals Programme. This programme provides grocery vouchers.

This is how it works:

1

Register to receive the grocery vouchers

- Your school will send you a link to the online registration form
- Answer the questions about your family situation
- This tells us whether you are eligible to participate
- You select the supermarket where you want to shop

* The number of grocery vouchers you receive depends on how many children within your family are registered. We're also working hard on providing vouchers that can be used in other shops and have them available as soon as possible. The Red Cross will notify you about this.
